

Basic Detail Report

Dog Kennel Hill, early 19th C. houses

Date

1931

Primary Maker

Ernest Herbert Whydale

Medium

Water-colour

Description

A view of the beautiful early Victorian stucco-fronted residences which formerly occupied the site of the present Dog Kennel Hill School. Part of the gentrification of the area included the building of substantial houses for the well-off. Many of these properties were later converted into flats or demolished and replaced with newer residential developments.
