

Basic Detail Report

Manuscript

Date

1100-1902

Medium

Wood, leaf

Description

Temple manuscript in Oorea script on narrow strips of papyrus leaf between wooden covers. It is secured with a string through the centre. This manuscript is said to have come from the Temple of Juggernath in the East Indies. The Temple of Juggernath was a place of pilgrimage for Hindus. The deity Juggernath is considered a form of Vishnu.

Dimensions

Object/Work: 35 x 210 mm
