

Baby-Carrier

Date

1830-1836

Medium

Hide, glass

Description

Baby-carrier or sack cradle of antelope skin, decorated with broad vertical bands of blue and white beads. This baby-carrier alone uses around 30,000 beads for decoration! It is funnel shaped, and open at the top with a square bottom. There are carrying straps at the top. From the Ammacassa tribe.

Dimensions

Object/Work: 800 x 430 mm
