

# Basic Detail Report

---

## Hook

**Date**

1775-1840

**Medium**

Wood

**Description**

Provision hook or 'Tau Tau' for suspending meat or breadfruit. It would normally include a large flat disk at the top, which prevented rats from reaching the food on the hooks. The disk tilted when a rat jumped onto it, forcing the rat to fall off.

**Dimensions**

Object/Work: 195 x 195 mm
