

Dance-Paddle

Date

1700-1998

Medium

Wood

Description

Leaf shaped head of an Austral Islands ceremonial paddle. The handle has been cut off. It is flat on one side, with gentle ridges on other, and pointed at the end. It has ornate carving over the surface in a triangular pattern, and small holes near where the handle would have been.

Dimensions

Object/Work: 380 x 140 x 20 mm
