

Basic Detail Report

Comb

Date

1800-1900

Medium

Ivory

Description

Cream-coloured ivory comb. It consists of a square panel decorated with a carved female figure seated in the lotus position, flanked by two bird-like creatures. There are fine teeth on the top and the bottom. This comb would have

been worn by a member of the aristocracy in Sri Lanka. It has been intricately carved by skilled craftsmen.

Dimensions

Object/Work: 97 x 5 x 124 mm
