

Basic Detail Report

Spoon

Date

1700-1902

Medium

Wood

Description

Spoon of light coloured wood. It has a short, squared handle, with a small tab at the top through which is threaded a thin loop of knotted hide. The bowl is flat, leaf shaped, and at a very slight angle to the handle. The back of the bowl is decorated with incised rows of small triangles, alternateing dark and light, stained or charred black.
