# **Basic Detail Report**

## **Spoon**

#### **Date**

1700-1902

#### Medium

Wood

### Description

Spoon of light coloured wood. It has a short, squared handle, with a small tab at the top through which is

threaded a thin loop of knotted hide. The bowl is flat, leaf shaped, and at a very slight angle to the handle. The back of the bowl is decorated with incised rows of small triangles, alternateing dark and light, stained or charred black.
