

# Basic Detail Report

---

## Bracelet

**Date**

1800-1840

**Medium**

Vegetable fibre

**Description**

Armlet from Papua New Guinea. Made of rattan woven into v-shapes. It would have been worn on the upper arm with sprigs of scented herbs tucked into it. The yellow section is probably made from orchid vine fibres.

**Dimensions**

Object/Work: 75 x 100 mm
