

Basic Detail Report

Shoe

Date
1730-1750

Medium
Satin, leather

Description
Lady's shoe of white silk satin. It has a pointed, upturned toe, a high, curved heel, a leather sole, and crossed-over straps. It bears decorative double stitch and a high tongue. The straps would originally have been threaded through an ornate buckle, sometimes set with paste gem stones (imitation glass diamonds). Britain.

Dimensions
Object/Work: 223 x 88 x 118 mm
