

# Basic Detail Report

---

## Textile-Sample

### Date

1744 - 1818

### Primary Maker

Queen Charlotte

### Medium

Satin

## Description

Part of a dress worn by Queen Charlotte. The fabric is from the side of the bodice, with an underarm section in cream-coloured satin brocaide. It is decorated with flowers of satin and chenille in green, peach, white, pink and yellow colours, and fastened with a blue bow. It was purchased at the sale of her effects.

## Dimensions

Object/Work: 220 x 280 mm
