

Basic Detail Report

Shoe

Date

1800-1850

Medium

Leather, metal, sequins, thread

Description

Man's shoe or Mojari, with curved-up toe. The back is crushed down through wear. Decorated with silver metal

thread buillion, metal spangles or paillettes, and beetle wing sequins which cover whole front of the shoe. The metal is now heavily tarnished. The back of the shoe is red leather, and there is a brown leather sole.

Dimensions

Object/Work: 70 x 280 mm
