

Basic Detail Report

Monumental Inscription

Date
2686-1069 BC

Primary Maker
James Burton

Medium
Calcerous stone

Description

Fragment of wall carving in calcareous stone. It depicts hieroglyphs in the form of a reed leaf, and a hand. The reed transliterates to the letter 'i' and the hand to 'd'. A band to the right divides the hieroglyphs into columns. Both the reed and band are light blue. The hand is painted red, and the surface a bluish-grey.

Dimensions

Object/Work: 145 x 90 x 40 mm
