

# Cast

#### **Date**

2686-1069 BC

#### Medium

Clay

## Description

Clay cast depicting a hawk in profile and the end of a flail. The flail would have originally been depicted as being held by the hawk. The flail is a symbol of kingship indicating that the hawk could be Horus in his animal form.

### **Dimensions**

Object/Work: 100 x 95 x 13 mm
