

Basic Detail Report

Object/Work: 220 x 100 x 60 mm

Figure

Date

1650-1700

Primary Maker

Saint Patrick

Medium

Wood

Description

Guilded wooden statue of a male figure, probably St Patrick, wearing form of clerical dress and Bishop's mitre. The figure has a beard and holds shamrock in left hand. The right hand is raised to give benediction. His robe is pulled up to reveal his legs, and the figure stands on a cross.
