

Amulet

Date

2040 BC-395 AD

Medium

Faience

Description

Amulet of the ram-headed god Knem, an aspect of Amun representing his regenerative power. He stands on a base, left foot striding forward, arms by his sides, with a hole at the back for suspension. Green glaze. Amulets were worn or carried, or offered to a deity for power or protection.

Dimensions

Object/Work: 35 x 7 x 11 mm
