Basic Detail Report

Wedding-Cup

Date

1850

Medium

Enamel, copper

Description

Three legged cup or Jue. It has three legs, handles shaped like fish, a jutting lip at the top for drinking, and two nails appearing from the top on either side. It has a blue ground decorated with pink floral motifs, bamboo and golden lines. It would have been used by the bride and groom during the marriage ceremony.

Dimensions

Object/Work: 102 x 115 mm
