

Basic Detail Report

Slipper

Date

1700-1900

Medium

Leather

Description

Leather slippers with painted heel linings. Leather stitching holds both the top and bottom of the shoe together. The bottom of the shoe is dark brown while the main body and face of the shoe is a sandy-brown colour. The inside of the right shoe is red and painted with a pattern, the left is missing part of its lining. There is a peak that turns upwards at the toe of the shoe. There is a green trim on the underside of shoe and of the peak. The leather is still strong but is misshapen.

Dimensions

Object/Work: 55 x 95 x 255 mm
