

Puzzle-Cup

Date

1700-1902

Medium

Brass

Description

Novelty cup. Self-emptying puzzle-cup of brass. This cup empties itself when full. It is accompanied by a printed image of the object and description. The figures on the cup are from a story in which Vasuki, Krishna's adoptive father, carries baby Krishna safely through a river in a fierce storm. He is unharmed because of Krishna's magical powers.

Dimensions

Object/Work: 120 x 85 mm
