

Basic Detail Report

Dagger

Date

1900-1927

Medium

Steel, wood, leather

Description

"Kukrie" or Gurkha knife. It has a curved steel blade, carved wooden handle and stitched leather cover. The kukrie was used as both a tool and a weapon by the Nepalese. It is often reffered to as a Gurkha knife due to the fact that the Gurkha regiments are all issued with this blade.

Dimensions

Object/Work: 440 x 85 x 50 mm
