

# Basic Detail Report

---

## Toy

### Date

1880 - 1889

### Medium

Tin, cord, card, paint

### Description

Tin plate fashioned into the shape of a crocodile standing on all fours. The mouth has been jaggedly cut to give the impression of teeth, and the back and tail have rectangular indentations in imitation of scales. The crocodile is painted green with red and yellow detail, white teeth, and black features.

### Dimensions

Object/Work: 20 x 160 x 40 mm
