

Basic Detail Report

Fountain

Date

1518 - 1522

Medium

Alabaster

Description

Alabaster fountain piece. It is symmetrical, with two winged mermaids holding up a missing component. There is a grotesque head in the centre, and the block is pierced from front to back, perhaps for small statuette or similar. It is water-worn and mortised above for lead work. From Suffolk Place also known as Suffolk House.

Dimensions

Object/Work: 189 x 415 x 130 mm
