

Basic Detail Report

Charm

Date
1800-1900

Primary Maker
Edward Lovett

Medium

Organic, glass

Description

Dried tormentil root in a jar. It was used as a charm for the recovery of lovers. Typed label pasted to the outside of the jar reads: 'Tormentil root. (Potentilla tomentilla) Used as a LOVE CHARM in the same way as Dragon's blood except that this is to recover a lost lover rather than influence a new one.'
