

Basic Detail Report

Cup

Date

1800-1900

Medium

Gourd, pigments

Description

Mate-cup of a decorated gourd. It is decorated with flowers and tendrils which encircle the cup. There are two bands around the mouth of the cup, one smooth and one formed of a jagged line. The design is scoured into the rind and painted in with colour pigments.

Dimensions

Object/Work: 90 x 85 x 255 mm
