

Dance-Paddle

Date

1700-1998

Medium

Wood

Description

Leaf shaped head of an Austral Islands ceremonial paddle. It has been cut off at the beginning of the handle. It is flat on one side, with a slightly raised spine on the other, and pointed at the end. There is ornate carving on the surface in a banded triangular or cross pattern.

Dimensions

Object/Work: 365 x 185 x 25 mm
