## Gallipot

**Date**  
1600-1700

**Medium**  
Earthenware

**Description**  
Small glazed Delftware gallipot. It has a light yellowish-green heavy glaze, and a narrow foot at the base. The glaze has chipped away from the rim. It would have been used for medicine.

**Dimensions**  
Object/Work: 50 x 65 mm
