Basic Detail Report

Cast of a Child's Hand

Medium

Oil on board

Description

Oil painting on canvas stretched on a thin dark wood frame and held in place with iron nails around the edge. There is heavy discolouration obscuring the image of a pale dismembered hand or a hollow cast of one hung up by string around a nail. Behind this object an irregular-shaped green piece of paper is hung up by a pin.

Dimensions

Object/Work: 311 x 295 mm
